Explanation of Responses:

- This transaction involved a gift of securities by the reporting person to his three adult daughters, who do not share reporting person's household. The reporting person disclaims beneficial ownership of the shares held by his daughters and this report should not be deemed an admission that the reporting person is the beneficial owner of his daughters' shares for purposes of Section 16 or for any other purpose.
- Corrects a clerical error by the preparer who transposed a number in a prior calculation.
