Item 8.01 Other Events

On May 15, 2019, Curtiss-Wright Corporation's (the "Company") Board of Directors authorized a stock repurchase program, pursuant to which the Company may purchase up to \$200,000,000 of its outstanding common stock beginning May 16, 2019. Under the stock repurchase program, the Company intends to repurchase shares through authorized Rule 10b5-1 plans (which would permit the Company to repurchase shares when the Company might otherwise be precluded from doing so under insider trading laws), open market purchases, privately-negotiated transactions, block purchases or otherwise in accordance with applicable federal securities laws, including Rule 10b-18 of the Securities Exchange Act of 1934.

On May 15, 2019, Curtiss-Wright Corporation (the "Company") adopted a written trading plan under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that will include purchases in the total amount of \$50 million. The Company implemented this written trading plan in connection with the above mentioned share repurchase program. The Company cannot predict when or if it will repurchase any shares of Common Stock as such plan includes a price grid, including a price limit where the Company would not buy shares under the Rule 10b5-1 plan. The written trading plan will not be effected before May 16, 2019 and will cease on December 31, 2019.

Adopting a trading plan that satisfies the conditions of Rule 10b5-1 allows a company to repurchase its shares at times when it might otherwise be prevented from doing so due to self-imposed trading blackout periods or pursuant to insider trading laws. A broker selected by the Company will have the authority under the terms and limitations specified in the plan to repurchase shares on the Company's behalf in accordance with the terms of the plan. After the expiration of the current trading plan, the Company may from time to time enter into subsequent trading plans under Rule 10b5-1 to facilitate the repurchase of its common stock pursuant to its share repurchase program.

Information regarding share repurchases will be available in the Company's periodic reports on Form 10-Q and 10-K filed with the Securities and Exchange Commission as required by the applicable rules of the Exchange Act.

This report contains forward-looking information, as that term is defined under the Exchange Act, including information regarding purchases by the Company of its common stock pursuant to a 10b5-1 trading plan. By their nature, forward-looking information and statements are subject to risks, uncertainties, and contingencies, including changes in price and volume and the volatility of the Company's common stock; adverse developments affecting either or both of prices and trading of exchange-traded securities, including securities listed on the New York Stock Exchange; and unexpected or otherwise unplanned or alternative requirements with respect to the capital investments of the Company. The Company's 2018 Annual Report on Form 10-K filed with the SEC on February 27, 2019, includes information regarding other risk factors and cautionary information. The Company does not undertake to update any forward looking statements or information, including those contained in this report.

SIGNATURE
