

## **Curtiss-Wright Appoints Edward Bloom Vice President**

LYNDHURST, N.J., Jun 28, 2002 /PRNewswire-FirstCall via COMTEX/ -- Curtiss-Wright Corporation (NYSE: CW, CW.B) announced today the appointment of Edward Bloom, President of Metal Improvement Company (MIC), a wholly owned subsidiary of Curtiss-Wright Corporation, as Vice President of the Corporation.

Mr. Bloom joined Metal Improvement Company in 1973, and has served in positions of increasing responsibility. Prior to assuming the role of President, he served as Executive Vice President of MIC.

Mr. Bloom is a graduate of NY City Community College. He and his wife, Wendy, reside in Boca Raton, Florida, and they have two children and three grandchildren.

Martin Benante, Chairman and CEO of Curtiss-Wright, stated, "We are fortunate to have someone of Ed's talent leading our metal treatment group. He brings a wealth of industry experience and management skills to the position and we are looking forward to his contribution to our Corporate growth plans."

Curtiss-Wright Corporation is a diversified company headquartered in Lyndhurst, New Jersey. The Company designs, manufactures and overhauls products for motion control and flow control applications and additionally is a provider of metal treatment services. The firm employs approximately 3,250 people. More information on Curtiss-Wright can be found on the Internet at [www.curtisswright.com](http://www.curtisswright.com) .
